

IOSH Working Safely

INTRODUCTION

The Working Safely course is for people at any level, in any sector. It will boost business performance and staff motivation in any sector. How? Simply by showing how everyone can enhance their safety, health and wellbeing through everyday behaviours, empowering them to want to work safe. This course has been designed to be fun and inclusive. No jargon, no legalese – just inspirational learning that's enjoyable, stimulating and effective.

WHO IS THE COURSE FOR?

Anyone – and everyone – in a working role who wants to learn the basics of safety and health.

BENEFITS FOR YOUR BUSINESS

Peace of mind from training that's designed and quality-controlled by IOSH – The Chartered body for safety and health professionals:

- Minimal disruption to working days and shifts – the programme is delivered in just one day.
- The course can be delivered to suit your company needs e.g. weekends, evenings or we can even come to your workplace.
- Efficient and effective learning – health, safety and environmental basics are covered in a single, self-contained session
- Enjoyable and thought-provoking facts and case studies, to help reinforce learning throughout the course.
- Each module is backed by scenarios from genuine work situations. The course includes interactive games and quizzes, helping delegates to learn in a refreshingly informal way.

WHAT THE COURSE COVERS

An outline of occupational safety and health - Defining hazards and risks.

- Identifying common hazards.
- Improving safety performance.
- Greater productivity from fewer hours lost due to sickness and accidents.
- Improved company-wide safety awareness culture and appreciation of safety measures.
- Active staff involvement to improve the workplace.
- Enhanced reputation within the supply chain.

What results can I expect?

Successful delegates are awarded an IOSH *Working Safely* certificate and/or passport card.
